

OneAV Innovations on ISE 2018: PureLink AVIT Media Series Solutions for AV over IP Signal Transmissions

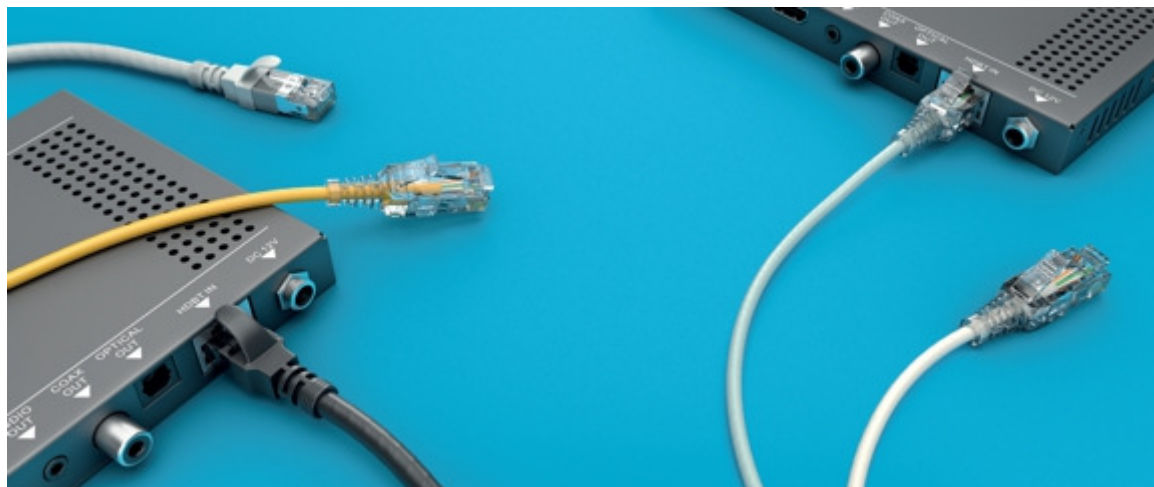

Each AV infrastructure is unique.

AVIT Media technology powered products simplify the distribution of 10 Gigabit Ethernet, IP streaming and point-to-point 4K / UltraHD AV signals.

The new PureLink AVIT Media series features a variety of modular Cat.6a products and is designed to comply with worldwide industrial IT standards as well as to fulfill the requirements of structured cabling.

With its forward thinking product standards, the AVIT Media Series exceeds all applicable industry standards, fulfilling the requirements including ANSI/TIA-568-C.2 and ISO/IEC 11801 Ed 2.2.

Visit us in **Hall 5, Booth R-85!** Grab a coffee with us and chat through our new solutions. Should you wish to appoint a meeting with us, please contact us by phone, e-mail or via the ISE Website.

Be our Guest

Pre-register with your Invitation Code 840021 for free entrance to the show.

Every year, Integrated Systems Europe is an important industry hotspot connecting markets and people.

Above all, the fair is a good opportunity for a personal meeting. We are very much looking forward to welcoming you on our stand because we know, trust implies far more than good products.

See you in Amsterdam!
